# This July, Let Your Daughter Transform Into A Real Life Princess

This July 27th to the 31st...or August 10th to the 14th, let your daughter transform into a real princess for the first time, during Ballet with Cindee Velle's amazing new "*Princess Camp*".

Each day your daughter will learn a new princess dance and be taught about the qualities that make a princess who she is. At the end of the week, she will perform for you and all the other parents at our public performance...plus, she will be officially crowned as a princess with all of the new friends!

She will awaken her imagination, creativity, and confidence in this week-long, half-day (9am-12pm) camp for girls 3 to 6 years old. Just imagine her smiling little face as she transforms into her favorite princess for the week.
